

Royal Chester Rowing Club

iTeams Instructions

Instructions

1. Go to www.five57sportsgear.com/rcrc OR click 'Team Kit' from the Five57 homepage and select 'Royal Chester RC' from the iTeams menu at the bottom of the page.
2. Log in with the password **thegroves2019**
3. Add your new kit to your basket.
4. *Some* products feature an option to have your name embroidered to help prevent loss. Just add your text (anything you like up to 10 characters) below the size option. If you leave this blank you will not be charged.
5. Your order will be individually packed, but all orders will be delivered together to one location for your nominated person to distribute (there is a small flat-rate picking, packing and shipping fee for each order to cover this).
6. If you'd like to purchase any items from our regular stock, feel free. Just go to the 'Wear' tab and add them to your basket. **Remember**, ordering regular stock items while logged into iTeams means they will be delivered with your iTeams custom order.
